

CHARTER OF COOPERATION

By the Grace of God Almighty
and based on the aspiration for mutual support
in developing the Nation and the State of the Republic of Indonesia,
the undersigned below

BETWEEN

THE PRESIDENT OF MATERIAL RESEARCH SOCIETY INDONESIA (MRS-INA)

AND

THE PRESIDENT OF EUROPEAN ACADEMIC OF SCIENCE (EurASc)

Have agreed to establish cooperation and mutual support in the implementation of

PROFESSIONAL ACTIVITIES IN MATERIALS RESEARCH

Matters relating to the follow-up of the cooperation shall be stipulated in a separate agreement which is implemented by an officer who is assigned the duties/ authorities by each party and is set forth in the agreement and constitutes a unity which is inseparable from the Charter of Cooperation.

This cooperation is in effect for 5 (five) years and is incidental, in accordance with the needs of both parties, starting from the date the Charter of Cooperation is signed, and can be renewed by the agreement of both parties.

Signed in Bali on Wednesday, October 31, 2018.
