Member of the European Commission

Brussels, 3rd October 2019

Dear Professor Martins,

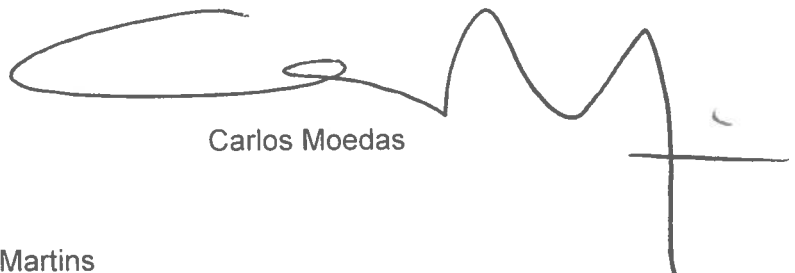

Thank you so much for your kind words on behalf of the European Academy of Science – I was very touched by them.

The achievements of the past five years would not have been possible without your support and commitment.

Let me take this opportunity to personally thank you and the Academy for all the great collaboration.

I look forward to remain in touch with you and the Academy.

Yours Sincerely,

Carlos Moedas
